

Long Life Marine Bearings Operating Without Oil And Grease

SEAWATER LUBRICATED PROPELLER SHAFT BEARING SYSTEM

- Reduced operating costs
- Zero environmental impact (no oil required)
- Reduced maintenance
- 15 Year Wear Life Guarantee (for COMPAC bearings)
- Turnkey engineering and installation support
- Fitted to over 2,000 ships

GREASE FREE RUDDER BEARINGS

- Dry or water lubrication eliminates grease usage
- High abrasion resistance
- Superior resistance to shock loading and vibration
- Industry Leading Wear Life Guarantees
- Fitted to over 4,000 ships

GREASE FREE DECK EQUIPMENT BEARINGS

(Fairlead bushings, Davit bearings, replacement for any greased bronze bearings)

- Eliminates grease
- Low friction, high pressure bearings
- Long wear life and reduced maintenance costs

Thordon Bearings Inc. designs and manufactures a complete range of environmentally friendly propeller shaft, rudder, deck equipment and shaftline products for the global marine market. Recognized internationally for superior performance in marine applications, Thordon has a worldwide customer service network in over 100 countries.
